

# How to use the tram car

Please use the rear or middle door of the car to enter. (The front door is for exiting.)

If you are paying by cash, please take a numbered ticket. We do not accept Credit Card.

If you are using the IC card "DESUCA", please place the card on the card reader. (You cannot use other regional railway IC cards)

After the announcement, please press the button before the tram arrives at the station you would like to get off at.

Please put the numbered ticket and the tram fare into the fare collection box.

You can change your notes into coins using the change machine next to the driver's seat.

# How to use the one-day tram pass.

Please scratch the year, month and date of the day you are going to use the tram. (If you have scratched more than one date, month or year, the ticket will be void)

Please show the driver the date side of the card.

A one-day pass, which allows you unlimited travel within a fixed area (230 yen section), is 500 yen for adults and 250 yen for elementary school students.

A one-day pass for all tram lines is 1000 yen for adults and 500 yen for elementary school students.

These are available at Harimaya Bridge Service Center, Kochi Station Bus Information and Kochi Tourism Information Center "Tosa Terrace". You can also purchase the ticket in the tram.
